

RAJENDRA NIKETAN NX-2

EXPERIENCE THE BEST IN LIVING

RAJENDRA NIKETAN NX-2

Rajendra Niketan NX-2 is a thoughtfully planned residential project tailored to meet the needs of modern urban living. Strategically located, it combines comfort, convenience, and sustainability. The township features six beautifully landscaped gardens, underground electricity for a clean and organized look, and wide roads for smooth connectivity. Surrounded by lush greenery, it provides a serene and refreshing environment. Residents can enjoy a range of amenities, including parks, schools, shopping centers, and recreational facilities, designed to foster a vibrant and connected community. Additionally, home loans are available from PNB, Axis, and ICICI, making it easier for you to own your dream home at Rajendra Niketan NX-2.
